

To Whom it May Concern:

While uploading a Notice of Exemption for SCH# 2021070125, the document was marked as lead agency. This indication was done in error. The Notice of Exemption filed by the California Natural Resources Agency for SCH# 2021070125 should be filed as responsible agency. The City of Wasco is the lead agency for the Central Avenue Neighborhood Park project.

Sincerely,

Melissa Jones
